

Welcome back students, parents, and staff. Apple Annies Catering and Food Services once again looks forward to serving you. This year, we will be expanding our kitchen appliances, which will enable us to expand our menu. We have listened to suggestions and requests, and will attempt to accommodate the masses.

The cost of the lunch program will not increase. A 10% discount will be afforded to those who wish to purchase lunch and milk, lunch only, or milk only for the entire year. The deadline for this will be 09/22/10. The pricing chart will be on your September order form. Menus and order forms will be made available well in advance. Your cooperation in meeting the deadlines will be greatly appreciated.

Please communicate all compliments, complaints, problems, and suggestions to us. Stop by or call the kitchen before or after lunch service to speak with Anne, or contact Vince via phone or email. Thank you, and we hope everyone has a great school year!
