

YOUR GUIDE TO RAZZMATAZZ....

Never been to a Razzmatazz???? No worries...this handy guide will give you all you need to know!

Come early & stay late:

The party is from 6pm-11pm. Plan on arriving right at 6pm. Since we have many silent auction tables, they will “close” at different times – meaning you need to plan enough time to view the items and place your bid before the first one closes at 7:30pm. Also, the gaming tables are open from 6-9pm. We want to make sure you have lots of time to use the \$50 of free chips you get with each Razzmatazz ticket!

What NOT to wear?

Stacy and Clinton say, “Wear what you feel good in!” Cocktail attire is the norm but you’ll see everything from hot sequin dresses to tee shirts. Please no jeans – club rules.

\$\$\$\$\$

What to buy? How much to spend? What to bid on? How to pay? These decisions are all up to you. We appreciate your attendance and don’t want you to feel pressured to bid on anything, yet we also want to encourage folks who do plan to spend some money to bid high and often! ☺ We accept credit cards and checks when you pay for items “won” at the end of the night.

Read the program BEFORE you arrive...

The program committee worked hard to get this completed well in advance of Razzmatazz so you can preview silent and live auction items. Take a look at the program and the schedule of table closing so you can plan your bids! You’ll find it in this week’s blue communication folder.

Bring a buddy...

Casino nights and auctions are always more fun with friends. Feel free to invite other adults – NFA parents or otherwise – and plan on meeting them there. Many NFA families bring their siblings, parents and friends to enjoy the party and help support NFA. Also, remember it’s an open bar all night so please designate a driver in advance.

Look for these special items....

The class craft gifts are beautiful and are often the most popular items in the live auction. There are also some great silent auction gifts and raffle baskets. Look for the brand new NFA merchandise, available just for the auction! You can also purchase tickets for the Tuition Raffle...imagine a whole year of tuition just for a \$100 raffle ticket!

Gambling novices welcome.....

Read the program in today's communication folder. It explains all the rules about using your chips and how the tables work. Remember we are using chips that will be cashed in for raffle tickets. Even if you have never placed a bet before, please feel free to test out roulette – Texas hold 'em – craps and blackjack! You'll be hooked quickly!

Feeling guilt you have not yet volunteered to help with Razzmatazz???

There's still time! Many volunteers are needed for half hour shifts at the party. No experience necessary. Call Susie Valinis at 215-248-3096 or susan.valinis@obermyer.com

Still more questions....

Contact co-chairs: Meredith Smalley: mmkrebs@comcast.net 610-585-4042 or
