

A Sponsored Ministry of the Sisters of Saint Joseph since 1920

Dear NFA Parent/Guardian,

As you read earlier today, NFA will be closing for the next two weeks and will be distance learning. If you do not have access to an electronic device at home for your child to complete distance learning assignments or if you have multiple children who need their own devices, parents of children in K through grade 8 and Montessori 5 year olds may request to pick up a device on Wednesday, March 18. Students 3's and 4's in both PP and Montessori will be provided with NON DIGITAL activities during these next two weeks.

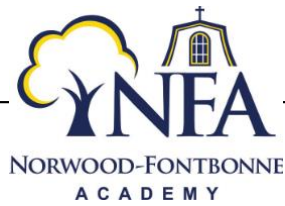

We will have staff manning both campuses for drive-through pick up at our regular carline during the hours of 8 to 10 a.m., 2 to 4 p.m., and 5 to 7 p.m. [If you would like to request your child's electronic device, click here.](#) When submitted, staff can prepare to have your child's device ready to go for you on Wednesday at your preferred pick up time. If you have children on both campuses, you will need to pick up the devices at Fontbonne and at Norwood.

Parents/guardians are asked to [complete a Device Checkout Agreement for each device](#), preferably prior to pick up or at the time of pick up. Completing the form(s) prior will shorten your time in carline. You can [email them to Lindsey Sachs](#), Technology Integration Specialist, or bring printed and signed forms with you at pick up. As a reminder, all devices will be wiped down before you receive them.

In Christ's Peace,

Ryan Killeen, Ed.D.  
President

Nancy Peluso, M.Ed.  
Principal of Lower Grades
